

# GETTING STARTED!

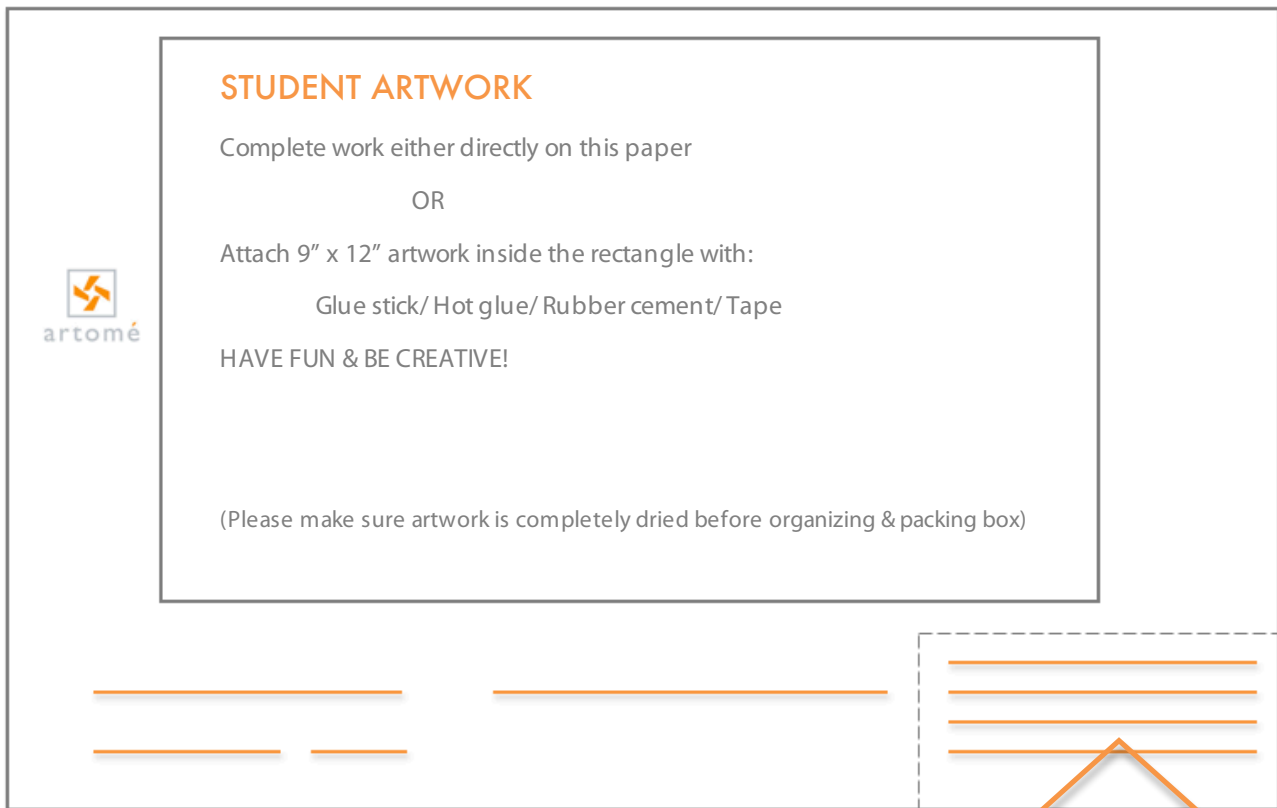

Thank you for booking an Art Show! Included in this package are:

- Art Paper
- Stickers

## WHAT SHOULD I KNOW WHEN STARTING MY PROJECTS?

It is **IMPORTANT** to fill out **ALL** information, indicated in **ORANGE**, on the Artomé Art Paper Templates!

This makes it easier for families to find artwork during the Art Show and for you to distribute projects back to your students after the Art Show.

- **It is very important to arrange the artwork in the box exactly how you'd like it to be displayed in your show.** We recommend arranging the artwork by grade and then by class, as it makes for a well-organized gallery. If you have a different preference, please arrange the artwork accordingly and include an explanation.
- Return shipping labels will be e-mailed to you about 1 month before your show.
- The box that the paper is shipped in is great to re-use for shipping the artwork back to us if it is still in good condition. If not, any box will do.
- **The date to ship your artwork back to us is 2 weeks before your Art Show date!!!**

**GALLERY TAG**  
**Will be placed in the corner of the frame during the Art Show.**

- Title of Artwork
- Student Name
- Teacher
- Grade

**DO NOT REMOVE THIS TAG**  
(Due to our disassembly process, these tags will not be returned after art show)
