SCHOOL ARTSHOWS BY ARTOME

Engage your parents by exciting their children. Have posters of questions parents should ask when they find their child's artwork.

EXAMPLES:
"What kind of materials did you use?"
"What is the focal point of your artwork?"
"What do you like most about your artwork?"

PARENT PARTICIPATION

To make your show more successful, we recommend creating a festive & engaging atmosphere to turn your Art Show into an unforgettable event with options like:
Decorations, Music, other Art Activities, a Photobooth with props & Refreshments

ATMOSPHERE

Art Club students are great to have as tour guides for families to help find artwork & explain projects. Have your students create invitations & banners for the Art Show to spread the word. If students are excited, so are their parents!

ART SHOW !!!

STUDENT INVOLVEMENT

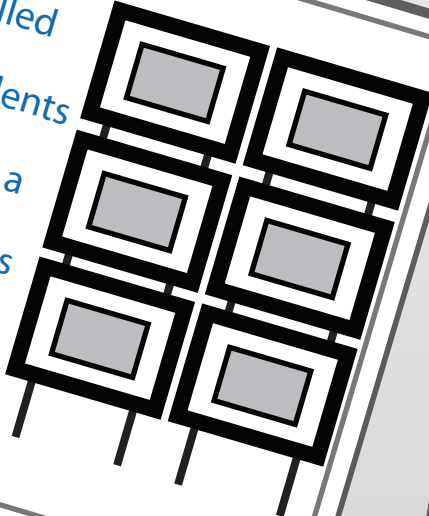

Plan 1 Volunteer for every 100 Students in the Show. Station volunteers to greet at exits and entrances and at checkout tables collecting money & bagging frames. They can also help families find artwork.

VOLUNTEERS

Having the Gallery Tag filled out will help parents & students find artwork. When choosing a gallery location, make sure there is enough space for the artwork, strollers & heavy traffic.

GALLERY LAYOUT

To ensure a large turn out, combine your Art Show with other school events such as:

Choir Concerts, Plays, Seasonal Festivals, Craft Fairs, Game Nights & PTO/PTA Meetings

PLAN SHOW WITH OTHER EVENTS

To keep lines moving quickly, create stations for each payment type. Be sure to have multiple volunteers working the checkout tables. Place sold artwork in orange bags to confirm sale & for families to easily carry home.
